Expense among its Four Nuclear Units.) PETITION

This matter comes before the Public Service Commission of South Carolina ("Commission") on the letter from Carolina Power & Light Company ("CP&L") stating that CP&L withdraws its "Petition to Reallocate its Nuclear Decommissioning Expense Among Its Four Nuclear Units" ("Petition").

On May 21, 2001, CP&L filed with this Commission a Petition seeking permission to reallocate among CP&L's four nuclear units the nuclear decommissioning expense included in CP&L's rates. By its letter filed November 7, 2001, CP&L states that it withdraws its Petition.

IT IS THEREFORE ORDERED THAT:

1. CP&L's Petition seeking permission to reallocate among CP&L's four nuclear units the nuclear decommissioning expense included in CP&L's rates is withdrawn.
